About Us

Launched in September 2020, Colombo Graduate Campus (CGC) is a prestigious education provider dedicated to empowering individuals through diverse academic and professional programs. CGC caters to both domestic and international students, offering a unique blend of internationally recognized qualifications, a supportive learning environment, and a focus on holistic development.

At CGC, students benefit from a conducive learning environment supported by experienced faculty members who are experts in their respective fields. These dedicated instructors foster a deep understanding of the subject matter while nurturing critical thinking and problem-solving skills. Beyond academics, CGC places a strong emphasis on holistic development, fostering the personal and professional growth of its students.

Through various extracurricular activities, industry networking events, and career development workshops, CGC empowers students to become well-rounded individuals equipped to navigate the complexities of the modern world. Students gain valuable exposure to diverse perspectives, build professional networks, and develop essential employability skills, preparing them for successful careers in their chosen fields.

Overall, Colombo Graduate Campus stands as a beacon of excellence in higher education, offering a transformative learning experience that prepares students to become leaders and innovators in their respective fields. By combining academic rigor, personalized support, and a commitment to holistic development, CGC equips its graduates with the knowledge, skills, and confidence to thrive in a dynamic and challenging world.

About ABE

ABE Level 4, 5 and 6 qualifications are designated higher education qualifications. They are aligned to the Framework for Higher Education Qualifications (FHEQ) in England, Wales and Northern Ireland, and Quality Assurance Agency (QAA) Subject Benchmark Statements. All ABE qualifications are part of the UK Regulated Qualifications Framework (RQF).

ABE is fully regulated by Ofqual, the qualifications regulator for England. In addition to Ofqual, ABE has agreements or recognition by regulatory authorities in many other countries where we operate – check our website for more details.

About your Qualification

ABE is regulated by Ofqual who also manage the Regulated Qualifications Framework, which ABE diplomas are accredited against. Qualifications within the RQF must be levelled against the RQF level descriptors to ensure they are broadly similar in the knowledge and depth of understanding required to pass them. The size and the content of qualifications at the same level can vary. The diagram below shows how the levels progress.
